Ref. No. 028098 K 1/49 d/17/11/1949.

The government direct that the following austerity measures be enforced immediately in order to effect reduction in the consumption of rice.

In the case of hotels which are prepared to take unfamiliar feedgrains such as wheat, semolina, etc., and do not ask for any rice or broken rice, permission may be granted for opening such hotels freely as these hotels will serve to popularise unfamiliar feedgrains among the public.
